Institute of Veterinary Pathology

Training Position in Veterinary Pathology

We offer a position for a veterinarian with at least 1 year professional experience, as postgraduate training in veterinary pathology ("Residency").

The position is available from 01.09.2025.

The Institute of Veterinary Pathology, Vetsuisse Faculty, is an institution of the University of Zurich (UZH). In addition to research and teaching, it has a strong diagnostic unit, undertaking post mortem, histopathological, immunopathological and cytological examinations of animals and/or tissue specimens. This material is primarily used for teaching and research as well as further education and training.

The post holder has the following tasks:

- Contribution to the Institute's post mortem diagnostic service
- Contribution to the Institute's biopsy and cytology diagnostic service
- Contribution to collaborative research projects and undergraduate teaching

The successful applicant fulfils the following requirements:

- EU-recognised veterinary degree
- At least 12 months postgraduate veterinary work (eg. in practice or by working towards a doctoral degree)
- Interest in pathology and in postgraduate training in this discipline; basic experience in the field is an advantage
- Optimally scientific publication(s), eg. as part of a completed dissertation (Dr. med. vet., PhD)
- Very good English and German skills (spoken and written)

We offer:

- Training in all aspects of diagnostic veterinary pathology, including forensic pathology and digital photodocumentation
- Work in a large diagnostic team and with a broad range of species
- Qualification for the certifying examination of the European College of Veterinary Pathologists
- Salary according to the cantonal requirements

For further information on the project and the internship, please contact PD Dr. Frauke Seehusen (email: frauke.seehusen@uzh.ch).

Please submit your written application with your CV and letter of motivation by 20.07.2025 to:
